Shamanic Soul Retrieval Journey Workshops: October 17th 6:00pm-8:00pm

Facilitated by Matthew Embrey

WE all have experiences from our lives, ancestral memories, and past lives that were filled with fear. In our very best attempt to feel safe we often compromise parts of ourselves by creating contracts that inhibit our ability to experience the breadth of who we BE.

Such as-“I'll change for you, so you will love and approve of me...”

These contracts manifest in the form of negative mindsets and actions around abundance, scarcity, success, failure, security, expansion, sexuality, intimacy and more. These mindsets affect our lives by causing us to choose ways of BEing that create and perpetuate great suffering, separation, dis-ease, addictions, and more.

During our gathering, participants will be guided to RE-UNITE a lost part of themselves that has been denied and contracted away. On the other side participants will emerge as a powerful WITNESS to their new selves with a fresh CONTRACT, deeper GRACE, a magical TREASURE, and a POWER ANIMAL to assist them along their journey of healing and wholing.
