The Casting of Charms- Where the Seen and Unseen Collide – Saturday August 22nd from 1:00 PM to 4PM. *Facilitated by Diane Hageman – Practical Integrated Spirituality Coaching* If you are feeling a bit stuck, like you're walking through energetic fog or feeling the need for some, then this reading is for you!

This is not your average reading. It is a high-vibe, tag-team session designed to pinpoint exactly what is standing in your way and clear it on the spot.

Sometimes the answers we need aren't found in words, but in the dance of symbols and the resonance of your own energy field.

How the Magic Happens

During your private 30-minute session, we bridge the physical and digital worlds to create a powerful container for transformation:

- **The Reveal:** Our gifted "Tarotologist" Eda Hatfield joins via Zoom to cast the charms. As they fall, she will read the symbols that tell the story of your current path and provide a direct answer to the question you bring to the table.
- **The Clearing:** While the charms reveal the "what," Shamanic Practitioner Diane Hageman will be right there with you in person to handle the "how." As blocks are identified in your energy field, she will work with you to clear any dense energy, restoring flow and True Light to your being.

The Details

- **Investment:** \$57
- **Duration:** 30 Minutes of focused insight and energetic alignment.
- **Your Part:** Come with one clear question or area of your life where you desire movement.
- **The Setting:** Diane will be with you in person, and Eda the charm caster and reader will be projected live via Zoom.

Space is limited for these collaborative sessions. If you are ready to witness the wisdom of the charms and feel the lightness of a clear field, let's get you on the schedule!

DIY Witch Wind Chimes – Saturday August 15th from 11am - 1pm *Facilitated by Julie Diercks*

All items to complete your chime will be provided.

Any specific or special charms & stones may be purchased from Earthe Energie or brought from home.

To witches, wind chimes are tools for home protection, energy cleansing, & spirit communication. Chimes are used as an auditory barrier to break up stagnant, negative energy, & invite harmonious vibrations into your space.

The sharp, clear tone of the chimes is believed to startle & repel negative energies. Hanging them at front doors or windows will create an energetic threshold.

While some may use smoke from herbs to reset energy, witches will use frequency & vibration of chimes.

Folk magic says that an unexpected ring or movement, with no breeze, can signal the presence of spiritual guests or ancestors.

Cost is \$20 per person

Please RSVP by text at (775) 229-5112 or email - jdhjdhdh@yahoo.com
