Heartbeat & Insight: A 15-Minute Drum & Card Reset

Step out of the holiday rush and back into your own rhythm.

Join Diane for a grounding 10-minute Heartbeat & Insight session during our Small Business Saturday celebration. Begin with a single-card reflection to illuminate what is ready to be seen, embraced, or released as the season shifts. Then, rest into the grounding vibration of a live cedar frame drum or ceremonial rattle to settle your nervous system, align your energy, and restore your center.

Take a breath, listen to the pulse, and leave feeling clear, steady, and deeply anchored.

Between the shopping lists and seasonal hustle, give yourself a sacred pause.

In this intimate mini-session, we combine clear intuitive guidance with the restorative power of sacred sound to help you reset from the inside out:

· **The Insight (One-Card Guidance):** We begin with an intentional single-card draw to bring focused clarity to your present moment. Whether highlighting a hidden strength, clarifying an emotional focus, or revealing what to let go of before the year ends, this snapshot gives your mind a clear, steady anchor.

· **The Pulse (Sacred Drum Reset):** Settle back as the steady heartbeat rhythm of a handcrafted Western cedar hoop drum washes over you. Or with the clearing resonance of the sacred rattle, this gentle sound immersion helps quiet the busy mental chatter, smooth out holiday overstimulation, and anchor your intention deep into the physical body.

You will walk away with an aligned mindset, a grounded spirit, and a small takeaway card with your message to carry forward through the season.
